

# Attestation & Commercial Services

Professional document attestation services provided through the Ministry of Foreign Affairs (MoFA) in the UAE. We handle all certificate and commercial document authentication for both UAE-issued and international documents through official digital channels and embassy networks.

# Understanding Attestation Services

## What is Attestation?

Attestation is an official procedure that confirms the validity of seals and signatures on documents issued in the UAE or abroad. This critical service ensures your documents are recognized as authentic and legally binding for use in official transactions, employment, education, and international processes.

The Ministry of Foreign Affairs (MoFA) in the UAE provides this service through secure digital channels and through its global network of embassies and consulates, ensuring accessibility whether you're in the UAE or abroad.
